

*Mr. H P Singh, Chairman and Managing Director,  
Satin Creditcare Network Limited (SATIN)*

Mr. H P Singh is the first generation entrepreneur whose passion for social engineering has guided SATIN to reach more than 3.5 million Indian families to positively impact their livelihood. As a result, SATIN is one of the leading microfinance company in India with Asset under Management (AUM) of approx ₹ 7,139 cr (as on August 31, 2019) is awarded as Fortune The Next 500 Company.

Under Mr. Singh's leadership, SATIN has become a crusader of innovation in the microfinance industry. He is acknowledged for pioneering the unique concept of daily collection of EMIs to make loan repayments flexible and convenient for millions of unserved families. Company's network of 1,228 branches (as on August 31, 2019) across 22 states and union territories also helps the clients access easy small ticket loans for solar utilities, water and sanitation, cycle, and many other necessities for life. Through its subsidiaries Taarashna, Satin Housing Finance, and Satin Finserv, the company is adding more dimensions to its core business

and taking financial inclusion to the last mile.

Mr. Singh's visionary approach has always kept the business abreast with the industry development. Hence, SATIN was the first microfinance institution in the country to diversify into fintech space by launching "Loan Dost", a digital platform for retail lending for millennials.

Mr. Singh is a law graduate and a fellow of The Institute of Chartered Accountants of India since 1984. He also holds academic and industry expertise across auditing, accounts, project financing, advisory services and company law matters. He has also participated in Harvard Business School's Accion Program on Strategic Leadership for Microfinance in 2009, and the leadership program by Women's World Banking at Wharton Business School, University of Pennsylvania in 2011.

In 2015, Mr. Singh founded Global Social (India) Foundation (GSIF), a not-for-profit organization, aiming a

better Tomorrow's India, a vision with better job and education opportunities, improved health & sanitation facilities, elimination of hunger, poverty, and child labour, control on population growth, juvenile delinquency and other similar social issues. His leadership and support has helped GSIF curate other projects like iHero and Bachcha Party.

Mr. Singh has been awarded with the 'Social Innovator' by Global HR Excellence Awards, in February 2017 and the 'Exemplary Leader Award' in April 2018 in Kuala Lumpur, Malaysia.

Ever since company's inception in 1990, Mr. Singh continues to be at the helm of its operations and long term strategy. In the coming years, his guidance will play a crucial role to establish SATIN as the most differentiated financial institution in India.
