PNB Housing Fin to seek shareholders' nod to raise up to ₹45k cr

PRIME TRUST OF INDIA
New Delhi, July 11

PNB HOUSING FINANCE said it would seek shareholders' approval next month to raise up to ₹45,000 crore through debt securities. The company's annual general meeting is scheduled to take place on August 5. Shareholders are being requested to authorise the board of directors to offer, from time to time, the subscription of redeemable, secured/unsecured non-convertible debentures (NCBs) aggregating up to ₹45,000 crore in one or more tranches, PNB Housing Finance said in a regulatory filing. The company may issue the bonds through private placement or by way of public issue.

As on March 31, bonds/non-convertible debentures constitute significant portion of the total borrowings of the company, it said. Borrowings through these instruments facilitate the raising of resource in a highly flexible and requirement driven manner, it added. "The company intends to raise long term funds through bonds in the current year as well to meet lending requirements. It is the reform proposed that the members authorise the board to borrow money through NCBs up to ₹45,000 crore outstanding at any time through private placement offer letter and/or by way of public issue from time to time," PNB Housing Finance said.

In 2019-20, the company had net interest income of ₹2,308 crore, registering growth of 12% from a year ago. However, disbursements in FY20 fell by 49% to ₹18,626 crore. The assets under management dipped 28% to ₹33,246 crore as on March 31. As much as 82% of the AUM comprised retail assets. The company, promoted by the country's second-largest state-owned lender Punjab National Bank (PNB), in its annual report said that 2019-20 was a challenging year for the sector as well as the company.

"We focused on strengthening our balance sheet. With a prudent sourcing strategy, we maintained a healthy liquidity position and built a strong private debt franchise, considered the second largest in the market," it said.
