

Independent Auditors' Report

To the Members of Satin Finserv Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Satin Finserv Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at March 31, 2022, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to Note No 41 to the financial statements which explains that, the extent to which COVID-19 pandemic will continue to impact, the Company's operations and financial position and performance are dependent on future developments, which are still highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

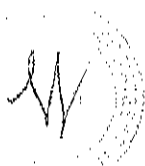

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

(a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

A handwritten signature in black ink is written over a circular embossed stamp. The signature is stylized and appears to be 'Rajeev Bhatia'. The stamp is partially visible and contains some text that is not legible.

(b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

(c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

(d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

(e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

(a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

(b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) the financial statements dealt with by this report are in agreement with the books of account;

(d) in our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;

(e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act;

(f) we have also audited the internal financial controls over financial reporting of the Company as on March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report dated April 27, 2022 as per Annexure B expressed unmodified opinion; and

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

(i) the Company did not have any pending litigations which impacted its financial position as at March 31, 2022;

(ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2022;

(iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2022.

(iv) a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party

("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

(v) As per the information and records provided to us by the company, no dividend has been declared or paid during the year.

Annexure A to the Independent Auditors' Report

Referred to in Paragraph 1 under the heading of "Report on other legal and regulatory requirements" of our report of even date of **Satin Finserv Limited** on the financial statements for the year ended 31 March 2022)

(i) Fixed Assets

- a) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets on the basis of available information.

The Company has maintained proper records showing full particulars of intangible assets.

- b) The Property, Plant and Equipment and right-of-use assets of the Company was physically verified as at the year-end by the management, which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancy was noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any immovable property during the period under audit. Thus, paragraph 3(i) (c) of the Order is not applicable to the Company.
- d) The Company has not revalued any of its Property, Plant & Equipment and intangible assets during the year. Thus, paragraph 3(i) (d) of the Order is not applicable to the Company.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Thus, paragraph 3(i)(e) of the Order is not applicable to the Company.

(ii) Inventories

- a) The Company is a service company. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable to the Company.
- b) As per the information and explanation provided to us, the company does not have a working capital limit sanctioned from any bank or financial institution during the year and as on 31-03-2022. Hence, the reporting under clause 3(ii)(b) of the Order is not applicable.

(iii) Loans granted by company

- a) The Company has been registered under section 45-IA of the Reserve Bank of India Act 1934 as a Non-Banking Financial Company (NBFC). Hence, reporting under clause 3(iii)(a) of the order is not applicable to the company.

- b) In our opinion, the terms and conditions of the grant of loans in nature of loans and advances, during the year are, prima facie, not prejudicial to the Company's interest.
- c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- d) In respect of loans granted by the company, the details of total amount overdue above 90 days are as follows:

No. of cases	Principal Amount Overdue (in Rs.)	Interest Overdue (in Rs.)	Total Overdue (in Rs.)	Remarks
139*	2,74,29,420	89,19,434	3,63,48,854	NIL

* no. of cases includes restructured cases in compliance of guidelines notification issued by RBI from time to time.

The company is taking reasonable steps for the recovery of principal and interest overdue amount.

- e) The Company has been registered under section 45-IA of the Reserve Bank of India Act 1934 as a Non-Banking Financial Company (NBFC). Hence, reporting under clause 3(iii)(e) of the order is not applicable to the company.
- f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

(iv) Compliance of Section 185 and 186 of The Act

The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, as applicable.

(v) Acceptance of Deposits

In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits during the year. Thus, paragraph 3(v) of the Order is not applicable to the Company.

(vi) Maintenance of Cost records

To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 for the services of the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

(vii) Payment of Applicable Taxes

- a) According to the information and explanations provided to us and the records of the company examined by us, in our opinion, the Company is regular in depositing undisputed statutory dues including income-tax, goods and services tax, provident fund, employees' state insurance, professional taxes and other material statutory dues as applicable with the appropriate authorities in India.

According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax, service tax, provident fund, employees' state insurance, professional taxes and other material statutory dues were in arrears as at 31 March 2022 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us and the records of the company examined by us, during the period under audit, there are no dues of income tax or any other applicable statutory dues which have not been deposited on account of any dispute.

(viii) Undisclosed Income

There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) Dues to a Financial Institution or bank or debenture holder

- a) Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of dues to banks and financial institutions.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- e) The Company does not have any subsidiary, associate or joint venture during the year. Hence, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- f) The Company does not have any subsidiary, associate or joint venture during the year. Hence, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

(x) Initial Public Offer

- a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (x)(a) of the Order is not applicable.

- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) Fraud by the Company or on the Company

- a) According to the information and explanations given to us, We report that one instance of misappropriation of cash collected from customer by an employee involving amount aggregating to Rs. 0.22 Lakhs. The Company has initiated legal action against such employee. The Company has not recovered any amount from that employee.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year. hence reporting under clause 3(xi)(c) of the Order is not applicable.

(xii) Nidhi Company

In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

(xiii) Related Party Transactions

According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) Internal Audit

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) Non – Cash Transactions

According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with respect to acquiring any asset for consideration other than cash with directors or persons connected with them or vice versa. Accordingly, paragraph 3(xv) of the Order is not applicable.

(xvi) Registration with RBI

- a) The Company has been registered under section 45-IA of the Reserve Bank of India Act 1934 as a Non-Banking Financial Company (NBFC).
- b) The Company has conducted Non-Banking Financial activities during the year having a Certificate of Registration under section 45-IA of the Reserve Bank of India Act 1934.
- c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable.
- d) As per the information and explanation provided to us by the company, 2 companies in the group are in the process of registration as Core Investment Company under the Reserve Bank of India Act.

xvii) Cash Losses

The Company has not incurred any Cash Losses during the year and the immediately preceding financial year, accordingly, paragraph 3(xvii) of the Order is not applicable.

(xviii) Resignation of Statutory Auditor

There has been no resignation of Statutory Auditors of the Company during the year. Hence the reporting under clause 3(xviii) of the Order is not applicable to the company.

(xix) Material Uncertainty about the Company's Capability to discharge its liabilities

On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors' and Management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) Corporate Social Responsibility

- a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b) There are no ongoing CSR projects as on 31-03-2022 and reporting under clause 3(xx)(b) of the Order is not applicable.

(xxi) Qualification or Adverse Remarks by the respective auditors

Since the company is not required to prepare Consolidated Financial Statements, the reporting under this clause is not applicable to the company.

Annexure B to the Independent Auditors' Report of even date to the members of Satin Finserv Limited on the financial statements for the year ended 31 March 2022

Independent Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Satin Finserv Limited ('the Company') as at and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

info@rajeevbhatiaassociates.com

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

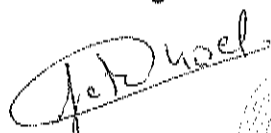

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2022, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Satin Finserv Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2022

1. Company Overview / Corporate Information

Satin Finserv Limited ('the Company') is a public limited company and incorporated on August 10, 2018, under the provisions of Companies Act. The Company is a non-deposit accepting Non-Banking Financial Company ('NBFC-ND') and is registered as a Non-Banking Financial Company ('NBFC') with the Reserve Bank of India ('RBI') in January 09, 2019. The main objective of the Company to carry on the business of Non-Banking Financial Company and to undertake business relating to financing. The Company is domiciled in India and its registered office & corporate office is situated at 4th Floor, B-Wing, Plot No. 492, Udyog Vihar, Phase-III, Gurugram, Haryana - 122016.

2. Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These Ind AS financial statements ("the Financial Statements") have been prepared in accordance with the Indian Accounting Standards 'Ind AS' as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act.

The financial statements for the year ended March 31, 2022 are the financial statements, which has been prepared in accordance with Ind AS and other applicable guidelines issued by the Reserve Bank of India ('RBI').

The financial statements for the year ended March 31, 2022 were authorized and approved for issue by the Board of Directors on April 27, 2022.

(ii) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

(iii) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 01, 2022, as below:

Ind AS 103 "Business Combination"

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – "Proceeds before intended use"

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets"

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any impact in its financial statements.

Ind AS 109 "Financial Instruments"

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

3. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised as below.

a) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on a straight-line basis, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

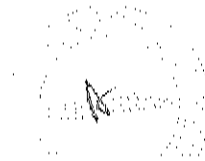

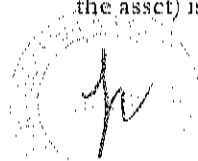

Asset class	Useful life
Office equipment	5 years
Computer and accessories -- end user devices	3 years
Computer and accessories -- network equipment	6 years
Furniture and fixtures	10 years

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

Satin Finserv Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2022

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and advances paid to acquire property, plant and equipment. Assets which are not ready to intended use are also shown under capital work-in-progress.

b) Revenue recognition

Interest, administration and other charges (for loans)

Interest, administration and other charges received are recorded on accrual basis using the effective interest rate (EIR) method along with the consideration of transaction cost directly attributable to the creation of financial instrument being Loan Asset. Additional interest/overdue interest/penal charges are recognised only when it is reasonable certain that the ultimate collection will be made.

Other Charges related to Operation

The Company collect other charges i.e. login fee, documentation charges, overdue interest, Cheque bounce charges, prepayment charges, conversion charges, document retrieval charges, Foreclosure charges etc from all the borrowers based on event, and recognise this income on collection basis.

Other Income

The Company recognise the interest income on fixed deposits and other income on accrual basis.

c) Borrowing costs

Borrowing costs directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the statement of profit and loss as incurred basis the effective interest rate method.

d) Taxation

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Minimum alternate tax ("MAT") credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

e) Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company gratuity as defined benefit where the amount that employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

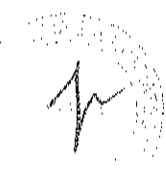

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to avail after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

f) Impairment of non-financial assets

The Company's non-financial assets other than deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a prorata basis.

An impairment loss in respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

g) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company i.e. the default in repayment is within the range of 0 to 30 days.
- If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired i.e. the default in repayment is within the range of 31 to 90 days.
- If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3' i.e. the default in repayment is more than 90 days.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default. For a revolving commitment, the Company includes the current drawn balance plus any further amount that is expected to be drawn up to the current contractual limit by the time of default, should it occur.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

b) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

i) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

The Company as a lessee

The Company's lease asset classes primarily consist of leases for building for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Satin Finserv Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2022

Certain lease arrangements includes the exclusive options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet.

The Company as a lessor

The company does not have any leases as a lessor.

Transition

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the prospective method and has recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and corresponding right of use asset at the same value. Due to the prospective method applied, the comparatives as at and for the year ended March 31, 2019 will continue to be reported under the accounting policies included as part of our financial statements for year ended March 31, 2019.

Leases in which the lessor does not transfer substantially all the risks and rewards of ownership of an asset to the lessee are classified as operating leases. Lease rental are charged to statement of profit and loss on straight line basis except where scheduled increase in rent compensates the lessor for expected inflationary costs.

j) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

k) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

- i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Investments in mutual funds – Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

Impairment of financial assets

The Company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all financial assets with contractual cash flows other than trade receivable, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in the Statement of Profit and Loss.

De-recognition of financial assets

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-

recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

l) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly by the executive management ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Chief Executive Officer (CEO) of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly identified as the chief operating decision maker. Revenues, expenses, assets and liabilities, which are common to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been treated as "unallocated revenues/ expenses/ assets/ liabilities", as the case may be.

n) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures. Actual results may differ from these estimates.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Expected credit loss ('ECL') – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of complex models and significant assumptions about future economic conditions

Satin Finserv Limited

Summary of significant accounting policies and other explanatory information for the year ended March 31, 2022

and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and
- Establishing groups of similar financial assets for the purposes of measuring ECL.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

SATIN FINSERV LIMITED
Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

32 Financial instruments
A Financial assets and liabilities

The carrying amounts of financial instruments by category are as follows:

Particulars	Note	As at March 31, 2022	As at March 31, 2021
Financial assets measured at amortised cost			
Cash and cash equivalents	Note - 4	1,709.22	830.86
Bank balances other than cash and cash equivalents	Note - 5	202.10	-
Loans	Note - 6	16,182.79	12,860.83
Security deposits	Note - 7	117.11	86.94
Total		18,211.22	13,778.63
Financial liabilities measured at amortised cost			
Other payables	Note - 12	48.34	44.28
Debt securities	Note - 13	550.38	550.16
Borrowings (other than debt securities)	Note - 14	7,123.59	2,673.14
Other financial liabilities	Note - 15	90.20	139.96
Total		7,812.51	3,407.54

B Fair value hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

The categories used are as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows, these fair values are calculated using Level 3 inputs:

Particulars	As at March 31, 2022		As at March 31, 2021	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Cash and cash equivalents	1,709.22	1,709.22	830.86	830.86
Bank balances other than cash and cash equivalents	202.10	202.10	-	-
Loans	16,182.79	16,868.73	12,860.83	13,469.48
Security deposits	117.11	117.11	86.94	86.94
Total	18,211.22	18,897.16	13,778.63	14,387.28
Financial liabilities				
Other payables	48.34	48.34	44.28	44.28
Borrowings (other than debt securities)	7,123.59	7,123.59	2,673.14	2,637.79
Borrowings (debt securities)	550.38	550.38	550.16	554.61
Other financial liabilities	90.20	90.20	139.96	139.96
Total	7,812.51	7,812.51	3,407.54	3,376.64

The management assessed that fair values of investments, cash and cash equivalents, other bank balances, trade receivables and trade payables approximate their respective carrying amounts, largely due to the short-term maturities of these instruments. The following methods and assumptions were used to estimate the fair values for other assets and liabilities:

(i) The fair values of the Company's fixed interest bearing loans and receivables are determined by applying discounted cash flows ("DCF") method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2022 was assessed to be insignificant.

(ii) The fair values of the Company fixed rate interest-bearing borrowings are determined by applying discounted cash flows ("DCF") method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period.

SATIN FINSERV LIMITED

Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

33 Financial risk management**i) Risk Management**

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company's risk are managed by a treasury department under policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Bank balances in current accounts, other bank balances, loans and other financial assets	Ageing analysis	Highly rated bank deposits and diversification of asset base and collaterals taken for assets
Liquidity risk	Borrowings and other financial liabilities	Cash flow forecasts	Committed borrowing (whenever required)
Market risk - interest rate	Variable or fixed rates borrowings	Sensitivity analysis	Negotiation of terms that reflect the market factors
Market risk - security price	Investments in equity securities, mutual funds, certificate of deposits and commercial papers	Sensitivity analysis	Diversification of portfolio, with focus on strategic investments

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, investments, loan assets, trade receivables and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The company provides for expected credit loss based on the following:

Nature	Assets covered	Period of expected credit loss
Specific valuation techniques used to value financial instruments include:	Bank balances in current accounts, other bank balances, loans and other financial assets	12 month and life time expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

SATIN FINSERV LIMITED

Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

Financial assets that expose the entity to credit risk

Particulars	As at March 31, 2022	As at March 31, 2021
(i) Low credit risk		
Cash and cash equivalents	1,709.22	830.36
Bank balances other than cash and cash equivalents	202.10	-
Loans	14,565.37	12,744.20
Security deposits	117.11	86.94
(ii) Moderate credit risk		
Loans	1,080.17	85.47
(iii) High credit risk		
Loans	537.24	31.16

Bank balances in current accounts and bank deposits

Credit risk related to bank balances in current accounts and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Loans

Credit risk related to borrower's are mitigated by considering collateral's/bank guarantees/letter of credit, from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems and project appraisal process to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts loan receivables that become past due and default is considered to have occurred when amounts receivable become 90 days past due.

h) Credit risk exposure
i) Expected credit losses for financial assets other than loans

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For bank balances in current accounts and other bank balances - Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of bank balances in current accounts, other bank balances and bank deposits is evaluated as very low.

- For loans comprising security deposits paid - Credit risk is considered low because the Company is in possession of the underlying asset.

- For other financial assets - Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2022	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	1,709.22	-	1,709.22
Bank balances other than cash and cash equivalents	202.10	-	-
Security deposits	117.11	-	117.11

As at March 31, 2021	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Bank balances in current accounts	830.36	-	830.36
Security deposits	86.94	-	86.94

SATIN FINSERV LIMITED
Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

ii) Expected credit loss for loans

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company i.e. the default in repayment is within the range of 0 to 30 days.

If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired i.e. the default in repayment is within the range of 31 to 90 days.

If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3' i.e. the default in repayment is more than 90 days.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unwillingness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2 is appropriate. Such events include:

- (i) The borrower is deceased
- (ii) A material decrease in the underlying collateral value where the recovery of the loan is expected from the sale of the collateral
- (iii) A material decrease in the borrower's turnover or the loss of a major customer
- (iv) The borrower requesting emergency funding from the Company

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Considering, the Company has started business from January 2019 and does not have history and there are no loan balances which has become 90 days past due and hence, provisioning norms are been used to make provision for loan assets, with a background of management overlay.

Changes in the gross carrying amount and the corresponding ECL allowances in relation to loans from beginning to end of reporting period:

Particulars	Stage 1 (0-30 days)	Stage 2 (31-90 days)	Stage 3 (More than 90 Days)

c) Concentration of loans

The Company's exposure to credit risk for loans and trade receivables is presented as below. Other financial assets majorly represents loans to employees and deposits given for business purposes.

Particulars	As at March 31, 2022	As at March 31, 2021
Agriculture and allied activities	3,651.13	1,680.87
MSME	4,578.16	2,618.60
Services	2,171.98	1,326.13
Corporate borrowers	6,183.56	7,239.42
Others	153.39	233.90
Total	16,738.22	13,098.92

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

The Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors the Company's liquidity positions (also comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. The Company also takes into account liquidity of the market in which the entity operates.

(f) Financing arrangements

The Company had access to the following funding facilities:

As at March 31, 2022	Total facility	Drawn	Undrawn
- Expiring within one year	-	-	-
- Expiring beyond one year	3,000.00	-	3,000.00
Total	3,000.00	-	3,000.00

As at March 31, 2021	Total facility	Drawn	Undrawn
- Expiring within one year	-	-	-
- Expiring beyond one year	3,000.00	-	3,000.00
Total	3,000.00	-	3,000.00

SATIN FINSERV LIMITED

Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

(ii) Maturities of financial assets and liabilities

The tables below analyse the Company financial assets and liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows:

As at March 31, 2022	Less than 1 year	1-2 year	2-3 year	More than 3 years	Total
Non-derivatives					
Cash and cash equivalents	1,709.22	-	-	-	1,709.22
Bank balances other than cash and cash equivalents				202.10	202.10
Loans	4,308.78	4,735.69	5,044.96	2,648.79	16,738.22
Other financial assets	70.80	21.37	24.94	-	117.11
Total undiscounted financial assets	6,088.79	4,757.06	5,069.90	2,850.90	18,766.65
Non-derivatives					
Other payables	48.34	-	-	-	48.34
Debt securities	52.74	497.64	-	-	550.38
Borrowings other than debt securities	2,884.12	2,364.17	1,188.66	686.65	7,123.59
Other financial liabilities	90.20	-	-	-	90.20

Net undiscounted financial assets/(liabilities)	3,013.39	1,895.25	3,881.24	2,164.25	10,954.14

As at March 31, 2021	Less than 1 year	1-2 year	2-3 year	More than 3 years	Total
Non-derivatives					
Bank balances in current accounts	830.86	-	-	-	830.86
Loans	5,242.04	4,379.07	4,402.84	5,092.80	19,116.75
Other financial assets	46.67	40.27	-	-	86.94
Total undiscounted financial assets	6,119.56	4,419.35	4,402.84	5,092.80	20,034.55
Non-derivatives					
Other payables	44.28	-	-	-	44.28
Debt securities	72.50	72.50	572.50	-	717.50
Borrowings other than debt securities	1,733.85	734.11	498.60	60.55	3,027.11
Other financial liabilities	139.96	-	-	-	139.96
Total undiscounted financial liabilities	1,990.59	806.61	1,071.10	60.55	3,928.85
Net undiscounted financial assets/(liabilities)	4,128.98	3,612.74	3,331.73	5,032.24	16,105.69

C) Market risk
a) Interest rate risk
i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At March 31, 2022, the Company is exposed to changes in market interest rates through other borrowings at variable interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at March 31, 2022	As at March 31, 2021
Variable rate liabilities		
Borrowings other than debt securities	4,855.44	1,300.05
Fixed rate liabilities		
Debt Securities	550.38	550.16
Borrowings other than debt securities	2,978.76	1,300.29
Total	7,584.58	3,150.50

Sensitivity

Sensitivity, of profit or loss in borrowing having fixed interest rates, is not applicable.

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

34 Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to comply with externally imposed capital requirement and maintain strong credit ratings
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

Particulars	As at March 31, 2022	As at March 31, 2021
Net debt*	5,762.65	2,392.44
Total equity	10,829.32	10,646.14
Net debt to equity ratio	0.53	0.22

* Net debt includes debt securities + borrowing other than debt securities + sub-ordinated liabilities + interest accrued - cash and cash equivalents - bank balances other than cash & cash equivalents.

(All amounts in Lakhs, unless otherwise stated)

36 Employee benefits

The Company has adopted Indian Accounting Standard (Ind AS) - 19 on Employee Benefit as under :

A Defined contribution plans
Provident and other funds

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and other funds which are defined contribution plans. The Company has no obligations other than this to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue.

	For the year ended March 31, 2022	For the year ended March 31, 2021
Employers contribution to provident and other fund*	47.10	29.03

B Defined benefit plans
Gratuity

The Company has a defined benefit gratuity plan. Every employee is entitled to gratuity as per the provisions of the Payment of Gratuity Act, 1972. The liability of Gratuity is recognized on the basis of actuarial valuation.

Risks associated with plan provisions

Salary increases	Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Investment risk	If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality & disability	Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

(i) Amount recognised in the balance sheet is as under:

38 Segment Information

The Company operates in a single business segment i.e. lending to customers who have similar risks and returns for the purpose of Ind AS 108 on 'Operating Segments' notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The Company operates in a single geographical segment i.e. domestic.

39 Leases

The Company has taken various office premises under lease arrangements. Generally, the lease term varies from 11 months to 60 months and is renewable under mutually agreed terms between lessee and lessor and there is no exclusive right to the company. The company has considered leases having initial lease term of upto 12 months as short term leases as per para 6 of Ind AS 116 and their expenses have been recognised as Rent under note 31. For all other leases having lease term of more than 12 months a right of use asset is recognised with a corresponding lease liability. The right of use asset is disclosed under Property, Plant and Equipment and lease liability is disclosed under Borrowings. Further disclosures as on March 31, 2022 are as follows:

1 The table below describes the nature of the Company's leasing activities by type of right-of-use asset recognised on balance sheet:

Particulars	Right of use asset Office Premises as on 31-03-2022	Right of use asset Office Premises as on 31-03-2021
Total number of leases	13	11
Number of leases considered as short term leases	5	4
No. of right-of use assets leased	8	7
Range of remaining term	From 7 Months to 46 months	From 17 Months to 54 months
Average remaining lease term	26 months	35 months
No. of leases with extension options	8	7
No. of leases with purchase options	0	0
No. of leases with variable payments linked to an index	0	0
No. of leases with termination options	0	0

2 Additional information on the right-of-use assets by class of assets is as follows:

Particulars	Right of use asset Office Premises as on 31-03-2022	Right of use asset Office Premises as on 31-03-2021
Carrying amount as on March 31, 2021	69.10	20.42
Reclassified on account of adoption of Ind AS 116	-	-
Addition	43.66	68.16
Depreciation	27.34	14.40
Deletion	4.42	5.08
Carrying amount as on March 31, 2022	81.00	69.10

3 Lease liabilities are presented in the statement of financial position as follows:

Particulars	As at March 31, 2022	For the year ended March 31, 2021
Current	23.56	18.55
Non-current	63.83	54.24
Total	89.39	72.80

4 At 31 March 2022 the Company do not have any committed leases which had not commenced.

5 The undiscounted maturity analysis of lease liabilities at 31 March 2022 is as follows:

Particulars	Lease payments	Finance charges	Net present values
Within 1 year	32.21	8.65	23.56
1-2 years	28.78	6.09	22.69
2-5 years	47.93	4.79	43.14
Total	108.93	19.53	89.39

The undiscounted maturity analysis of lease liabilities at 31 March 2021 is as follows:

Particulars	Lease payments	Finance charges	Net present values
Within 1 year	25.70	7.15	18.55
1-2 years	23.07	5.02	18.06
2-5 years	41.08	4.90	36.18
Total	89.85	17.06	72.80

The Company has elected not to recognise a lease liability for short term leases (leases of expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. In addition, certain variable lease payments are not permitted to be recognised as lease liabilities and are expensed as incurred. The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

SATIN FINSERV LIMITED
Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

6 Operating leases

The Company has taken on lease certain assets under operating lease arrangements. The contractual future minimum lease payment obligation in respect of these leases are as under:

Office premises

Particulars	March 31, 2022	March 31, 2021
Short term leases	22.77	31.70
Leases of low value assets	-	-
Variable lease payments	-	-
Total	22.77	31.70

7 The Company had total cash outflows for leases of Rs. 57.48 Lakhs in financial year ended on 31 March 2022 (Rs. 40.49 Lakhs in 31 March 2021).

8 The following are the amounts recognised in profit or loss:

Particulars	March 31, 2022	March 31, 2021
Depreciation expense of right-of-use assets	27.34	14.40
Interest expense on lease liabilities	10.98	5.41
Expense relating to short-term leases (included in other expenses)	22.77	31.70
Expense relating to leases of low-value assets (included in other expenses)	-	-
Variable lease payments (included in other expenses)	-	-
Total amount recognised in profit or loss	61.09	51.51

9

The Company has lease contracts for office buildings used in its operations. Leases of these buildings generally have lease terms between 11 months and 5 years years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets. There are several lease contracts that include extension and termination options, which are further discussed below.

The Company has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Company's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised.

10 The Company does not have any lease contracts that contains variable payments.

11 Set out below are the undiscounted potential future rental payments relating to periods following the exercise date of extension and termination options that are not included in the lease term:

Extension options expected not to be exercised (Count)

Termination options expected to be exercised (Count)

Extension options expected not to be exercised (Amount in Lakhs)

Termination options expected to be exercised (Amount in Lakhs)

	Within five years	More than five years	Total
Extension options expected not to be exercised (Count)	-	-	-
Termination options expected to be exercised (Count)	-	-	-
Extension options expected not to be exercised (Amount in Lakhs)	-	-	-
Termination options expected to be exercised (Amount in Lakhs)	-	-	-

Since the company has adopted Ind AS 116 w.e.f. April 1, 2019 prospectively, comparative figures are not required to be disclosed in accordance with standard.

SATIN FINSERV LIMITED

Notes to the Financial Statements for the period ended March 31, 2022

(All amounts in Lakhs, unless otherwise stated)

40 Contingent liability and Capital & other commitments

No contingent liabilities as on 31st March 2022 (previous year Nil). Estimated amount of contracts remaining to be executed on capital account is Nil (previous year Nil). Other commitments is Nil as on 31st March 2022 (previous year Nil).

40.1 Estimates**a) Impairment of financial assets based on expected credit loss model****40.2 Classification and measurement of financial assets and liabilities**

The classification and measurement of financial assets will be made considering whether the conditions as per Ind AS 109 are met based on facts and circumstances existing at the date of transition.

Financial assets is measured using effective interest method by assessing its contractual cash flow characteristics only on the basis of facts and circumstances existing at the date of transition and if it is impracticable to assess elements of modified time value of money i.e. the use of effective interest method, fair value of financial asset at the date of transition shall be the new carrying amount of that asset. The measurement exemption applies for financial liabilities as well.

Applying a requirement is impracticable when the entity cannot apply it after making every reasonable effort to do so. It is impracticable to apply the changes retrospectively if:

- a) The effects of the retrospective application or retrospective restatement are not determinable;
- b) The retrospective application or restatement requires assumptions about what management's intent would have been in that period;

The retrospective application or retrospective restatement requires significant estimates of amounts and it is impossible to distinguish objectively information about those estimates that existed at that time.

41 Impact of COVID-19 Pandemic

The SARS-CoV-2 virus responsible for COVID-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian financial markets and a significant decrease in global and local economic activities. In assessing the impairment allowance for loan portfolio, the Company has considered internal and external sources of information available including indicators of deterioration in the macro-economic factors. Further, the management has estimated the impact of the ongoing second wave of the pandemic on its loan portfolio, based on reasonable and supportable information available till date and considering performance after the all the three waves of Covid, and has noted that the existing provisioning levels are adequate to cover any further delinquencies. The extent to which the COVID-19 pandemic will impact the Company's results will depend on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by the Company.

41A Estimation of uncertainties relating to the global health pandemic from COVID-19:

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of loan receivables & other receivables, property plant & equipment and intangible assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports and related information, economic forecasts and consensus estimates from market sources on the expected future performance of the Company. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

41B Impact of Covid-19 on loan receivables and Revenue from Operations

The Company has evaluated the impact of COVID-19. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.

The Company holds provisions as at March 31, 2022 against the potential impact of COVID-19 based on the information available at this point in time. The provisions held by the Company are in excess of the RBI prescribed norms.

41C Impact of Covid-19 on Loss allowance for loan receivables and other receivables

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions. In calculating expected credit loss on loan receivables and other receivables, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19.

41D Impairment assessment of Property plant and equipment, Intangible assets

The Company is engaged primarily in providing Loan to the middle and lower end of the pyramid income customer for their business need. Considering the nature of business the Company does not have major PP&E assets. As at March 31, 2022, the estimated recoverable amount of the CGU exceeded its carrying amount. Reasonable sensitivities in key assumptions consequent to the change in estimated future economic conditions on account of possible effects relating to Covid 19 is unlikely to cause the carrying amount to exceed the recoverable amount of the cash generating unit.

41E Credit risk on cash and cash equivalents

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks. Company also invests in mutual funds and reviews the portfolio on regular basis. Mutual Funds with high quality portfolio are preferred.

Company has considered the latest available credit ratings in view of COVID-19 as at the date of approval of these financial statements.

41F Contingencies

The economic consequences and uncertainties resulting from the Coronavirus itself or from actions taken by governments and the company to respond to the outbreak may have an impact on contingent liability. Liabilities previously meeting or not meeting the definition of a contingent liability may need to be reconsidered for the purpose of disclosure in financial statement. Same has been duly considered by the management.
