# Women-Centric Sustainable Development : Microfinance

Women constitute the core fabric of microfinance and are also the critical success factor

Women are often among the most vulnerable and poorest members of low-income societies

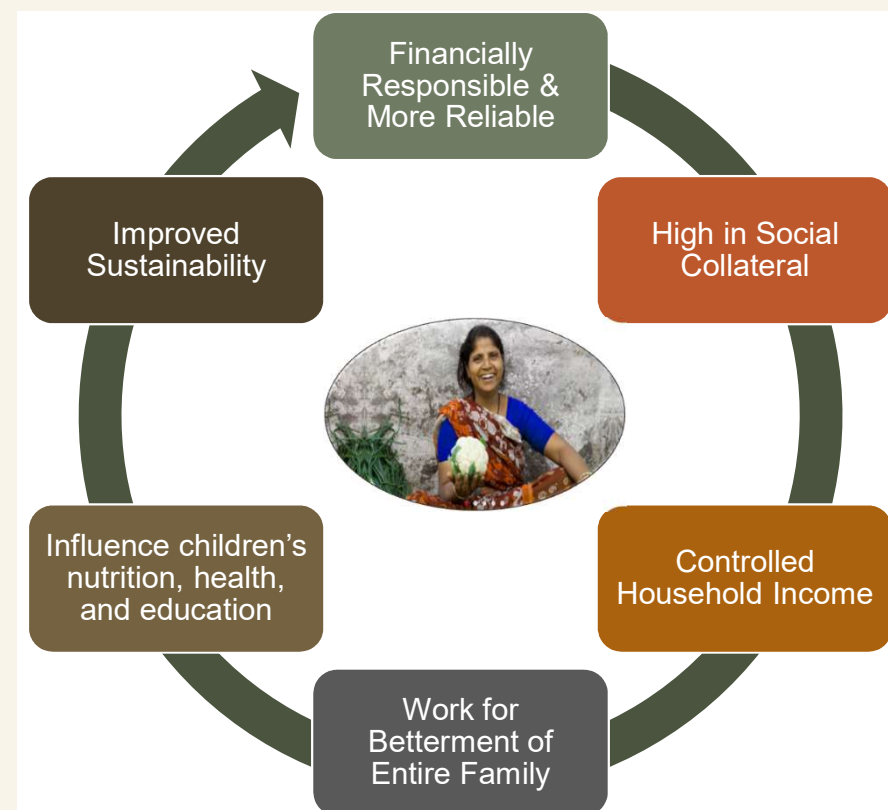

70% of the world's poor are women

Microfinance is a powerful instrument of social change, particularly for women

Obvious economic and social benefits to involving women in microfinance programs

Women are the family nucleus, that is vital for societal improvement and progress

# SCNL's Model of Microfinance

SCNL has adopted the Joint Liability Group (JLG) Model for microfinance

## Group Formation

- 4-6 women come together to form a **homogeneous group**
- Formed on the basis of **Social Collateral**
- A Group Leader is chosen from amongst the group members

## Centre Formation

- 3-5 such Groups come together to form a Centre
- Hence a Centre has 12-30 members
- A Centre Leader is chosen
- All members of a Centre are **jointly liable** to repay on behalf of defaulting members

## Disbursement and Repayment

- Post KYC check and Credit Bureau check, loans are disbursed to each of the members belonging to a particular Centre
- On specific repayment dates Centre members come together to repay the amount due
