Independent Auditors' Report

To the Members of Satin Housing Finance Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Satin Housing Finance Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended and a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at March 31, 2024, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and

using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

(a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

(c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

(d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

(e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:

(a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

(b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) the Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;

(d) in our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;

(e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act;

(f) we have also audited the internal financial controls over financial reporting of the Company as on March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report dated April 22, 2024 as per Annexure B expressed unmodified opinion; and

(g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

(i) the Company did not have any pending litigations which impacted its financial position as at March 31, 2024;

(ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2024;

(iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024.

(iv) a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any

other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

- (v) As per the information and records provided to us by the company, no dividend has been declared or paid during the year.
- (vi) Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2024, which displays the dates of creation and authorisation of the transaction keeping the system date as a base and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

- d) The Company has not revalued any of its Property, Plant & Equipment and intangible assets during the year. Thus, paragraph 3(i) (d) of the Order is not applicable to the Company.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder. Thus, paragraph 3(i)(e) of the Order is not applicable to the Company.

(ii) Inventories & working capital limit

- a) The Company is a service company. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable to the Company.
- b) As per the information and explanation provided to us, the company does not have a working capital limit sanctioned from any bank or financial institution on the basis of security of current assets during the year and as on 31-03-2024. Hence, the reporting under clause 3(ii)(b) of the Order is not applicable.

(iii) Loans granted by company

- a) The Company is registered with National Housing Bank as a Housing Finance Company and its main business is to provide housing finance. Hence, reporting under clause 3(iii)(a) of the order is not applicable to the company.
- b) In our opinion, the terms and conditions of the grant of loans in nature of loans and advances, during the year are, prima facie, not prejudicial to the Company's interest.
- c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- d) In respect of loans granted by the Company, the details of the amount overdue above 90 days are as follows:

The company is taking reasonable steps for the recovery of principal and interest overdue amount.

- e) The Company has been registered with National Housing Bank as a Housing Finance Company and its main business is to provide housing finance. Hence, reporting under clause 3(iii)(e) of the order is not applicable to the company.
- f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause

3(iii)(f) is not applicable.

(iv) Compliance of Section 185 and 186 of The Act

The company has given an advance against salary to a related party in compliance with section 185 of the Act. The company has not made any investment or given any loans, guarantee or security to the party covered under section 186.

(v) Acceptance of Deposits

In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits during the year. Thus, paragraph 3(v) of the Order is not applicable to the Company.

(vi) Maintenance of Cost records

To the best of our knowledge and according to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013 for the services of the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

(vii) Payment of Applicable Taxes

- a) According to the information and explanations provided to us and the records of the company examined by us, in our opinion, the Company is regular in depositing undisputed statutory dues including income-tax, goods and services tax, provident fund, employees' state insurance, professional taxes and other material statutory dues as applicable with the appropriate authorities in India.

According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax, service tax, provident fund, employees' state insurance, professional taxes and other material statutory dues were in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us and the records of the company examined by us, during the period under audit, there are no dues of income tax or any other applicable statutory dues which have not been deposited on account of any dispute.

(viii) Undisclosed income

There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) Dues to a Financial Institution or bank or debenture holder

- a) Based on our audit procedures and according to the information and explanations given to us, we are of the opinion that the Company has not defaulted in repayment of dues to banks, financial institutions or any other lender.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- e) The Company does not have any subsidiary, associate or joint venture during the year. Hence, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- f) The Company does not have any subsidiary, associate or joint venture during the year. Hence, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

(x) Initial Public Offer

- a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3 (x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

(xi) Fraud by the Company or on the Company

- a) According to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year,
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year. Hence reporting under clause 3(xi)(c) of the Order is not applicable.

(xii) Nidhi Company

In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.

(xiii) Related Party Transactions

According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act wherever applicable. The details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

(xiv) Internal Audit

- a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) Non – Cash Transactions

According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with respect to acquiring any asset for consideration other than cash with directors or persons connected with them or vice versa. Accordingly, paragraph 3(xv) of the Order is not applicable.

(xvi) Registration with RBI

- a) The Company is registered with National Housing Bank as a Housing Finance Company and is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934
- b) The Company has conducted Housing Financing activities during the year having a Certificate of Registration with National Housing Bank.
- c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable.
- d) As per the information and explanation provided to us by the company, 2 companies in the group had withdrawn the application for registration as Core Investment Company under the Reserve Bank of India Act. The applications regarding the same have been accepted by the RBI on August 09, 2023.

xvii) Cash Losses

The Company has not incurred any Cash Losses during the year and the immediately preceding financial year. Accordingly, paragraph 3(xvii) of the Order is not applicable.

(xviii) Resignation of Statutory Auditor

There has been no resignation of Statutory Auditors of the Company during the year. Hence the reporting under clause 3(xviii) of the Order is not applicable to the company.

(xix) Material Uncertainty about the Company's Capability to discharge its liabilities

On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors' and Management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) Corporate Social Responsibility

There are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing or other than ongoing projects requiring a transfer to a fund specified in Schedule VII of the Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) and 3(xx)(b) of the order is not applicable of the company.

(xxi) Qualification or Adverse Remarks by the respective auditors

Since the company is not required to prepare Consolidated Financial Statements, the reporting under this clause is not applicable to the company.

Annexure B to the Independent Auditors' Report of even date to the members of Satin Housing Finance Limited on the financial statements for the year ended March 31, 2024

Independent Auditors' Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of Satin Housing Finance Limited ('the Company') as at and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting ('IFCoFR') of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that -

(1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such controls were operating effectively as at March 31, 2024, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

1. Corporate Information

Satin Housing Finance Limited (“the Company”) is a public company incorporated in India under Companies Act, 2013. The Company is a wholly owned subsidiary of Satin Creditcare Network Limited (the ‘Holding Company’). The Company has received Certificate of Registration from National Housing Bank (NHB) under section 29A of the National Housing Bank Act, 1987 dated November 14, 2017 vide registration number 11.0161.17.

The main objects of the Company, inter alia, are to carry out the business of providing long term finance to individuals, companies, corporations, societies or association of persons for purchase/construction/repair and renovation of new/existing flats/houses for residential purposes and loan against collateral.

The Company is domiciled in India and its registered office is situated at 505, 5th Floor, Kundan Bhawan, Azadpur Commercial Complex, New Delhi – 110033.

2. Basis of preparation

(i) Statement of compliance with Indian Accounting Standards (Ind AS)

These financial statements have been prepared in accordance with the Indian Accounting Standards (‘Ind AS’) as notified by Ministry of Corporate Affairs (‘MCA’) under Section 133 of the Companies Act, 2013 (‘Act’) read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented in this financial statements.

The financial statements for the year ended March 31, 2024 were authorized and approved for issue by the Board of Directors on April 22, 2024.

(ii) Historical cost convention

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

3. Summary of material accounting policies

The financial statements have been prepared using the material accounting policies and measurement bases summarised below. These policies are applied consistently for all the periods presented in the financial statements.

a) Business Model Assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The company considers the frequency, volume and timing of sales in prior years, the reason for such sales, and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of a holistic assessment of how company’s stated objective for managing the financial assets is achieved and how cash flows are realised. Therefore, the company considers information about past sales in the context of the reasons for those sales, and the conditions that existed at that time as compared to current conditions and intent of the management for future business. If cash flows after initial recognition are realised in a way that is different from the Company’s original expectations, the Company shall change the classification of the financial assets held in that business model. Based on this assessment with respect to the direct assignment transaction executed during the year and considering future business plans of the Company, the management has measured its financial assets at amortised cost as the asset is held within a business model whose primary objective is to collect contractual cash flows, and the contractual terms of the financial asset give rise to cash flows that are solely payments of principal and interest (‘the ‘SPPI criterion’).

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

b) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation method, useful lives and residual value)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment is provided on a straight-line basis, computed on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

Asset class	Useful life
Office equipment	5 years
Computer and accessories	3 years
Computer and accessories	6 years
Furniture and fixtures	10 years

Depreciation is calculated on pro rata basis from the date on which the asset is ready for use or till the date the asset is sold or disposed.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year.

The Company fully depreciates the assets having individual value of Rs. 5,000 or less in the year of acquisition.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is derecognised.

Capital work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and advances paid to acquire property, plant and equipment. Assets which are not ready to intended use are also shown under capital work-in-progress.

c) Revenue recognition

Interest income

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering any fees and all incremental costs that are directly attributable to acquisition of a financial asset and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset to the gross carrying amount of a financial asset or to the amortized cost of a financial liability. The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets. Additional interest/overdue interest/penal charges are recognised only when it is reasonable certain that the ultimate collection will be made.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

Fees and commission income

Income from business correspondent services is recognized as and when the services are rendered as per agreed terms and conditions of the contract

Dividend income

Dividend income is recognised at the time when the right to receive is established by the reporting date.

Gain on derecognition of financial instruments

Income from assignment transactions i.e. present value of excess interest spread is recognized when the related loan assets are de-recognized. Interest income is also recognized on carrying value of assets over the remaining period of such assets.

Processing charges

The Company collects certain non-refundable processing charges at the time of application from all the prospective borrower, and recognise this income on collection basis.

Miscellaneous income

All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization/ collection.

d) Borrowing costs

Borrowing costs that are directly attributable to the acquisition and/or construction of a qualifying asset, till the time such qualifying assets become ready for its intended use sale, are capitalised. Borrowing costs consists of interest and other cost that the Company incurred in connection with the borrowing of funds. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as incurred basis the effective interest rate method.

e) Taxation

Tax expense recognized in Statement of Profit and Loss comprises the sum of deferred tax and current tax except to the extent it recognized in other comprehensive income or directly in equity.

Current tax comprises the tax payable or receivable on taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax is computed in accordance with relevant tax regulations. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised loss amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Minimum alternate tax ("MAT") credit entitlement is recognised as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets are recognised on unused tax loss, unused tax credits and deductible temporary differences to the extent it is probable that the future taxable profits will be available against which they can be used. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

f) Employee benefits

Short-term employee benefits

Short-term employee benefits including salaries, short term compensated absences (such as a paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonuses payable within twelve months after the end of the period in which the employees render the related services and non-monetary benefits for current employees are estimated and measured on an undiscounted basis.

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

Defined contribution plans

The Company has a defined contribution plans namely provident fund, pension fund and employees state insurance scheme. The contribution made by the Company in respect of these plans are charged to the Statement of Profit and Loss.

Defined benefit plans

The Company gratuity as defined benefit where the amount that employee will receive on retirement is defined by reference to employee's length of service and last drawn salary. Under the defined benefit plans, the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The legal obligation for any benefits remains with the Company, even if plan assets for funding the defined benefit plan have been set aside. The liability recognised in the statement of financial position for defined benefit plans is the present value of the Defined Benefit Obligation (DBO) at the reporting date less the fair value of plan assets. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gains/losses resulting from re-measurements of the liability/asset are included in other comprehensive income.

Other long-term employee benefits

The Company also provides the benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to availed after one year from the Balance Sheet date is estimated in the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

g) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. Recoverable amount is higher of an asset's net selling price and its value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the reporting date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

h) Impairment of financial assets

Loan assets

The Company follows a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

- Stage 1 (0-30 days) includes loan assets that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date.
- Stage 2 (31-90 days) includes loan assets that have had a significant increase in credit risk since initial recognition but that do not have objective evidence of impairment.
- Stage 3 (more than 90 days) includes loan assets that have objective evidence of impairment at the reporting date.

The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default, defined as follows:

Probability of Default (PD) - The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12 months PD), or over the remaining lifetime (Lifetime PD) of the obligation.

Loss Given Default (LGD) - LGD represents the Company's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and preference of claim and availability of collateral or other credit support.

Exposure at Default (EAD) - EAD is based on the amounts the Company expects to be owed at the time of default.

Forward-looking economic information (including management overlay) is included in determining the 12-month and lifetime PD, EAD and LGD. The assumptions underlying the expected credit loss are monitored and reviewed on an ongoing basis.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Write-offs

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument on statement of profit and loss.

i) Cash and cash equivalents and cash flow statements

Cash and cash equivalents comprise cash in hand (including imprest), demand deposits and short-term highly liquid investments that are readily convertible into known amount of cash and which are subject to an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

j) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

k) Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to the company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

The Company as a lessee

The Company's lease asset classes primarily consist of leases for building for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(i) the contract involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease

(iii) the Company has the right to direct the use of the asset.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the exclusive options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet.

The Company as a lessor

The company does not have any leases as a lessor.

D) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

- i. **Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

ii. **Financial assets (debt instruments e.g. loans) are measured at FVOCI when both of the following conditions are met:** – a financial asset is measured at the FVOCI if both the following conditions are met:

- The instrument is held within a business model, the objective of which is achieved by both collecting contractual cash flows and selling financial assets
- The contractual terms of the financial asset meet the SPPI test

FVOCI instruments are subsequently measured at fair value with gains and losses arising due to changes in fair value recognized in OCI. Interest income are recognized in profit or loss in the same manner as for financial assets measured at amortized cost

iii. **Investments in mutual funds** – Investments in mutual funds were measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

Financial assets (or where applicable, a part of financial asset or part of a group of similar financial assets) are derecognised (i.e. removed from the Company's balance sheet) when the contractual rights to receive the cash flows from the financial asset have expired, or when the financial asset and substantially all the risks and rewards are transferred. Further, if the Company has not retained control, it shall also derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer.

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

m) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss (interest and other finance cost associated) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Satin Housing Finance Limited

Summary of material accounting policies and other explanatory information for the year ended March 31, 2024

n) Segment reporting

The Company identifies segment basis the internal organization and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are regularly by the executive management ('chief operating decision maker') in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship with the operating activities of the segment.

o) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Classification of leases – The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Expected credit loss ('ECL') – The measurement of expected credit loss allowance for financial assets measured at amortised cost requires use of significant assumptions about future economic conditions and credit behaviour (e.g. likelihood of customers defaulting and resulting losses). The Company makes significant judgements with regard to the following while assessing expected credit loss:

- Determining criteria for significant increase in credit risk;
- Establishing the number and relative weightings of forward-looking scenarios for each type of product/market and the associated ECL; and

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Satin Housing Finance Limited

Notes forming part of Financial Statements for the year ending March 31, 2024

(All amounts in rupees in lakhs, unless stated otherwise)

The Company has elected not to recognise a lease liability for short term leases (leases of expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. In addition, certain variable lease payments are not permitted to be recognised as lease liabilities and are expensed as incurred. The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

6 Operating leases

The Company has taken on lease certain assets under operating lease arrangements. The contractual future minimum lease payment obligation in respect of these leases are as under:

9 The Company has lease contracts for office buildings used in its operations. Leases of these buildings generally have lease terms between 2 and 5 years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets. There are several lease contracts that include extension and termination options, which are further discussed below.

The Company has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Company's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised.

10 The Company does not have any lease contracts that contains variable payments.

37.02 Fair value measurement of assets and liabilities

(a) Fair values hierarchy

The fair value of financial instruments as referred to in note 37.01 above has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities [Level 1 measurements] and lowest priority to unobservable inputs [Level 3 measurements].

The categories used are as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

The following table shows the levels within the hierarchy of assets measured at fair value on a recurring basis:

As at March 31, 2024	Level 1	Level 2	Level 3	Total
Assets				
Loans measured at fair value through other comprehensive income	-	-	63,476.32	63,476.32
As at March 31, 2023				
Assets				
Loans measured at fair value through other comprehensive income	-	-	45,688.14	45,688.14

Valuation process and technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

Eligible loans valued by discounting the aggregate future cash flows (both principal and interest cash flows) with discount rate that commensurate with the risk inherent in the expected cash flows for the remaining portfolio tenor.

The management assessed that fair values of investments, cash and cash equivalents, other bank balances, trade receivables and trade payables approximate their respective carrying amounts, largely due to the short-term maturities of these instruments. The following methods and assumptions were used to estimate the fair values for other assets and liabilities:

The fair values of the Company fixed rate interest-bearing debt securities, borrowings and subordinated liabilities are determined by applying discounted cash flows ("DCF") method, using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. For variable rate interest-bearing debt securities, borrowings and subordinated liabilities, carrying value represent best estimate of their fair value as these are subject to changes in underlying interest rate indices as and when the changes happen.

37.04 Financial risk management

Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents (other than cash), loans, financial assets measured at amortised cost	Ageing analysis	Highly rated bank deposits and diversification of asset base and collaterals taken for assets
Liquidity risk	Borrowings and other financial liabilities	Cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - interest rate	Variable rates borrowings	Sensitivity analysis	Negotiation of terms that reflect the market factors

The Company's risk management is carried out by a central treasury department (of the Company) under policies approved by the board of directors. The board of directors provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and investment of excess liquidity.

a) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, loan assets, and other financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Credit risk management

The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk on financial reporting date
- (ii) Moderate credit risk
- (iii) High credit risk

The Company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents (other than cash), other bank balances, investments, loans in stage 1 and other financial assets	12 month expected credit loss
Moderate credit risk	Stage 2 loans	Life time expected credit loss or 12 month expected credit loss
High credit risk	Stage 3 loans	Life time expected credit loss fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a borrower declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Financial assets that expose the entity to credit risk

Particulars	As at March 31, 2024	As at March 31, 2023
(i) Low credit risk - Stage 1		
Loans	58,043.85	43,795.09

(ii) Moderate credit risk - Stage 2		
Loans	5,060.45	1,768.29
(iii) High credit risk - Stage 3		
Loans	372.02	124.75

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents (other than cash) and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Loans

Credit risk related to borrower's are mitigated by considering collateral's/ bank guarantees/letter of credit, from borrower's. The Company closely monitors the credit-worthiness of the borrower's through internal systems that are configured from systematic institutional and project appraisal process analysis to assess the credit risk and define credit limits of borrower, thereby, limiting the credit risk to pre-calculated amounts. These processes include a detailed appraisal methodology, identification of risks and suitable structuring and credit risk mitigation measures. The Company assesses increase in credit risk on an ongoing basis for amounts receivable that become past due and default is considered to have occurred when amounts receivable become one year past due.

Other financial assets measured at amortized cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

i) **Expected credit losses for financial assets other than loans**

Company provides for expected credit losses on financial assets other than loans by assessing individual financial instruments for expectation of any credit losses:

- For cash and cash equivalents and other bank balances - Since the Company deals with only high-rated banks and financial institutions, credit risk in respect of cash and cash equivalents, other bank balances and bank deposits is evaluated as very low.
- For trade receivables - Credit risk is evaluated based on Company's knowledge of the credit worthiness of parties outstanding in trade receivables. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature.
- For loans comprising security deposits paid - Credit risk is considered low because the Company is in possession of the underlying asset.
- For other financial assets - Credit risk is evaluated based on Company's knowledge of the credit worthiness of those parties and loss allowance is measured for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature, though the reconciliation of expected credit loss for all sub categories of financial assets (other than loans) are disclosed below:

As at March 31, 2024	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	1,288.46	0%	-	1,288.46

ii) **Expected credit loss for loans**

The Company considers default in all cases when the borrower becomes more than 90 days past due on its contractual payments. The Expected Credit Loss (ECL) is measured at 12-month ECL for Stage 1 loan assets and at lifetime ECL for Stage 2 and Stage 3 loan assets. ECL is the product of the Probability of Default, Exposure at Default and Loss Given Default.

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

	As at March 31, 2024	As at March 31, 2023

(c) Market risk

Interest rate risk

Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At March 31, 2022, the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. The Company's investments in fixed deposits all pay fixed interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at March 31, 2024	As at March 31, 2023
Variable rate borrowings	41,837.74	30,961.74
Fixed rate borrowings	4,546.75	2,066.46

Interest rates – decrease by 50 basis points (50 bps)	209.19	154.81

* Holding all other variables constant

Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

38 Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.
