In order to address issues arising out of excessive risk taking caused by misaligned compensation packages, NBFCs are required to put in place a Board approved compensation policy. The policy shall at the minimum include -

- (a) Constitution of a Remuneration Committee
- (b) Principles for fixed/ variable pay structures
- (c) Malus/ Clawback provisions

Performance measures and their relation to remuneration packages should be clearly defined at the beginning of the performance measurement period to ensure that the employees perceive the incentive mechanism. The variable pay should be truly and effectively variable and can be reduced to zero based on performance at an individual, business-unit and company-wide level.

These provisions were introduced with learning from other financial institution's collapse, with intention to bring collective responsibility and collective accountability among 'Core Management Team' for the performance of the company. Separation of duty has been there at the same time the team is collectively responsible for the overall performance of the Company. Hence, their responsibility and remuneration is linked with the Company's performance.

The Nomination and Remuneration Committee (NRC) of the Company shall specify the manner for effective evaluation of the performance and recommend to the Board, all compensation/ remuneration including fixed and variable pay and perquisites to all the KMPs and Senior Management Personnel of the Company, subject to compliance

Monetary equivalent of benefits of non-monetary nature such as capitalized company car, book & periodicals, driver salary, flexi fuel reimbursement etc. also be part of fixed pay.
- ii. **Variable Pay:**
 1. **Composition:** The Variable Pay shall be in the form of cash or share linked instrument or a mix of cash & share link instrument. It shall be ensured that the share link instruments are in conformity with relevant statutory provisions.
 2. **Proportion:** The proportion of variable pay in total compensation shall be commensurate with the role and prudent risk taking profile of KMPs / Senior Management Personnel. The variable pay shall be based on performance at an individual, business-unit and at Company level and will be broadly categorized under 3 categories of Business, Support to Business and Regulated positions. Since we have expanded the concept of Variable pay for all the KMPs / SMPs from this FY24-25 as per RBI guidelines, hence we want to keep the % same for all the 3 categories this year which shall be reviewed in the coming Financial Years to ensure more accountability.
 3. **Deferral of Variable Pay:** Certain portion of variable pay awarded after performance assessment, may be deferred to time horizon of risks. Quantum of variable pay which may be deferred and the period of such deferral would be decided by the NRC / the Board of Directors of the Company from time to time.
