Commenting on the performance, Dr. HP Singh, Chairman cum Managing Director of Satin Creditcare Network Limited, said, “FY26 was a landmark year for Satin. Despite a challenging operating environment, we delivered 19% AUM growth, a full-year standalone PAT of ₹332 Crores, and our 19th consecutive profitable quarter with Q4 FY26 PAT at ₹162 Crores.

We achieved exceptional ROA and ROE in Q4 standing at 4.71% and 23.31% respectively, which is higher than the industry average. Further, the value creation from our wholly owned subsidiaries, SGAL and STL, is expected to act as a key catalyst for further improvement in ROA and ROE in the coming years.

Equally important is the quality of our performance. Credit costs for the year came in at 3.8% reduced 77 bps YoY reflecting the strength of our underwriting and risk management discipline.

Our diversified platform continued to gain momentum. Satin Housing Finance and Satin Finserv delivered strong growth, crossing AUM ₹1,000 Crores each, Satin Technologies added new clients and acquired strategic stake in QTrino Labs, a deep-tech cybersecurity company, and the launch of Satin Growth Alternatives Limited a women led Category II AIF and a strategic collaboration with SBI marks an important milestone in our inclusion-focused mission with focus on gender lens investing and sustainability.

As we enter FY27, we do so from a position of strength with a resilient balance sheet, multiple growth engines, and a clear strategic roadmap. We remain committed to growing responsibly and creating sustainable long-term value.”
